SUBJECT: Water Taps and Supply Lines for homes near Francis Farm Landfill

REQUEST: Approval Town of Waynesville Water Taps and Run Supply Lines

BACKGROUND: In 2009, several residents were identified who did not have city water near the Francis Farm Landfill. Since that time, the County has conducted monitoring and testing to determine the extent of the contamination. Fortunately, no water supplies had been contaminated. Out of abundance of caution, this project will ensure that the residents will not have to worry about their water supply being impacted by FFLF.

IMPLENTATION PLAN: Environmental Coordinator will work with residents, plumbing contractor and Town of Waynesville to secure contracts and easements.

FINANCIAL IMPACT STATEMENT: Budget Amendment will need to be approved from a special project for water and sewer construction in the amount of $16,669 to cover the cost of the project.

Town of Waynesville Tap Fee	$ 9,200.00
Plumbing/Supply Line Connection	$ 7,469.00
