Apply for an Exception to the Commercial Outdoor Shooting Range Ordinance by August 16

On April 18, 2016 the Board of County Commissioners passed the Commercial Outdoor Shooting Range Ordinance, requiring permits for new ranges or facilities in operation after February 15, 2016. Existing ranges may seek an exception from the ordinance by filing a site plan no later than August 16, 2016 at 5 pm. The site plan must conform with §161.0D of the Ordinance. No fees will be charged, and a permit will not be required. For additional information, contact Kris Boyd, Director, Planning Department, at 452-6632.
