Discount Program Linking Veterans and Businesses Kickoff November 10

Sherri C. Rogers, the Haywood County Register of Deeds, is launching a new program linking veterans with businesses that offer them discounts. "The Register of Deeds office is dedicated to helping our veterans. The Veterans Discount Program is a wonderful opportunity for both the veterans and the local businesses", stated Sherri Rogers.

Veterans who qualify for the program can receive a Haywood County Veteran ID Card by recording a copy of their DD214 in the Haywood County Register of Deeds office. Participating businesses will be listed on the Haywood County Register of Deeds website at haywooddeeds.com. All veterans who come into the office will be given a current listing of those businesses participating in the program. Upon issuance, the veteran will be told that they must show the veterans "Thank You for Your Service" Card in order to receive the discount or incentive.

Interested businesses can join the program by visiting the office's website at: www.haywooddeeds.com. Under the **navigation menu** click the **Veterans Rewards Program link** and complete the registration form for your business. Enrollment by participating businesses will be for a one year with an annual automatic renewal unless businesses elect to cancel within 30 days of the renewal date. Participating businesses receive a flyer to display that acknowledges their membership in the program (attached).

The kickoff will be held November 10, 8:00 AM -5:00 PM in the Register of Deeds office. The tax department, veteran's office and others will be on site to give information on benefits and tax exemptions available for veterans.
