Dear Ms. Murphy:

The Department of Juvenile Justice and Delinquency Prevention has completed another competitive grant awards process. I am pleased to inform you that your Community-Based Youth Gang Prevention application has been approved, and the Juvenile Crime Prevention Council has been selected to receive a grant award.

Funding for this project has been authorized for FY 2009-2010 in the amount of \$41,500.00, using federal Byrne/JAG funds supplied through the American Recovery and Reinvestment Act of 2009. In order to begin the distribution of these funds to your county, a program agreement/contract will be required. The Department will distribute this information to you for completion as quickly as possible along with the federal reporting requirements from the Governor's Crime Commission.

Thank you for applying for these funds, and we commend you for your dedication, hard work, and commitment of working with youth and families across North Carolina for safer communities.

Congratulations on this award! If you have any questions, please contact Denise Briggs, Project Manager, at 919-743-8141 or denise.briggs@djjdp.nc.gov.

With regards,
