Dear Ira and County Commissioners:

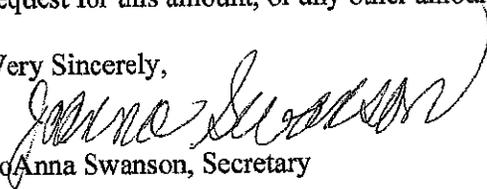

As you already know, the *Commission for a Clean County (CCC)* does hands-on clean-ups of streets in all the towns in the county and on county roads. We try to be an example to residents about the financial, health and aesthetic benefits of a clean county.

Our other projects include:

- **COMMUNITY PRIDE**, the Awards program where we honor those who practice good environmental stewardship.
- **KEEP IT CLEAN** – an educational program, which, for the last three years, has featured the *Litter Troll*, for elementary school youngsters in Haywood County. This year, we are using **RECYCLE YOUR ART OUT**, a “litter sculpture” contest for the high schools.
- The **DO NOT LITTER** coloring book contest for all 1,200 kindergarten and first grade pupils in all nine elementary schools.
- **CARING FOR YOUR COMMUNITY**, a program in towns that volunteer, in which the town invites different groups to come out for one day and compete for which group can pick up the most trash.

The CCC Board would like to request funding help from Haywood County for fiscal year 2015-2016. We would be grateful if you can help us with support of \$1,000.00 as you did last year. Thank you for your consideration of our funding request. We hope you will let us know if our request for this amount, or any other amount, can be granted.

Very Sincerely,

  
Joanna Swanson, Secretary
