Calling all Recovery Champions and Allies!
We invite you to be part of positive change.
We truly are one community in recovery.

Inaugural Western Regional Recovery Rally

As part of **National Recovery Month**, this event is being held to celebrate and raise the profile of **recovery** by demonstrating to our friends, neighbors, communities, policymakers, and the media that people **do** achieve sustained **recovery** from alcohol, drugs, mental health, and other life challenges. When people are healthy and well, it benefits our families, communities, and the nation!

Recovery changes the conversation
from problems to solutions!
