Subject: EMS Surplus Equipment

As Haywood County EMS has replaced a considerable amount of its older and well-worn medical equipment, the question of how this equipment will be disposed of has come to light.

That said, I am requesting to donate the following:

- 7 Stryker stair chairs
- And
- 6 Laerdal portable suction units

Please note that EMS has already determined this equipment to be of little monetary value as we were unable to get trade in values assigned to this equipment when we were in the process of replacing it.

These following 10 Fire Departments have expressed interest in having some of the aforementioned equipment:

- Lake Logan
- Lake Junaluska
- Maggie Valley
- Jonathan Creek
- Canton
- Crabtree
- Fines Creek
- North Canton
- Waynesville
- Saunook

Obviously, Haywood County and Haywood County EMS would require an Equipment Release Agreement from any of the receiving agencies or departments that would release Haywood County from any and all responsibility should the equipment fail in the presence of the new owner.

Respectfully,

Jim Pressley, Haywood EMS
