Candace-

I respectfully request the Haywood County Board of Commissioners to reappoint Betty Ferguson, Allene Irvin, and Linda Webb to three (3) year terms as members of the Adult Care Homes Community Advisory Committee for Long Term Care. With regret I share with you that Corrine Reams is not able to continue to serve at this time due to health-related concerns.

I respectfully request the Haywood County Board of Commissioners to re-appoint Betty Jo Coleman and Jean Willis to three (3) year terms as members of the Nursing Home Community Advisory Committee for Long Term Care.

Each of these being recommended for re-appointment are wonderful advocates for the residents of the long term care facilities in Haywood County.

Please send written confirmation once the Haywood County Board of Commissioners has acted on these recommendations.

Thanks for all you do for so many.

Onward!

Larry
