To Whom It May Concern:

This letter is to inform your agency of our knowledge and approval of the Lake Logan Multisport Festival, held throughout Haywood County on August 20-21.

Various departments within the County have worked with the event producers since the event was created in 2006 and is confident in their abilities to provide a safe course that is respectful to motorists.

We understand the event organizers will work directly with Sheriff's Office to provide traffic controls at all major intersections, with the exception of those within the Town of Canton. We also understand the event organizers will work with other organizations within the County, specifically the Center Pigeon Fire Department, Town of Clyde, Lake Junaluska Fire Department, Crabtree/Ironduff Fire Department and WNC ARES, to provide a safe avenue for the cyclists and runners in accordance with State of North Carolina law and NCDOT guidelines.

Thank you for your consideration.

Sincerely,

Ira Dove, County Manager
Haywood County

Greg Christopher, Sheriff
Haywood County
