Haywood County Health and Human Services Board of Directors Rule for Post-Exposure Management of Dogs and Cats

Recommended by the NC Division of Public Health

This rule for rabies post-exposure management of dogs and cats implements and particularizes the authority given to the local health director in G. S. 130A-197 to effectively and efficiently protect the public's health utilizing the most current science. Accordingly, the Haywood County Health and Human Services Board adopts the recommendations and guidelines for rabies post-exposure management of dogs and cats specified by the National Association of State Public Health Veterinarians in the 2016 edition of the Compendium of Animal Rabies Prevention and Control (Part 1. Rabies Prevention and Control B. Prevention and Control Methods in Domestic and Confined Animals. 5. Post-exposure Management). These provisions of the Compendium shall be the required control measures pursuant to G.S. 130A-197.
