AFFIDAVIT AS TO STATUS OF LICENSURE

N.C.G.S. § 87-1

To Permit Applicant: Please check the appropriate lines, provide the requested information, and sign and date below.

- I propose to construct a new building.**

- I propose to set-up a properly labeled modular building.**

- I am a North Carolina licensed general contractor.** My license number is _____.

- I am not a North Carolina licensed general contractor.** The cost of the project I am entering into does not exceed \$30,000.00 per **N.C.G.S. § 87-1**.

- I am not a North Carolina licensed general contractor.** I am providing to the local inspection jurisdiction a \$5,000 surety bond in accordance with **N.C.G.S. § 143-139.1. (Modular set-up only)**

- I am the owner of the proposed building.** It is my intention to act as my own general contractor for constructing the proposed building or for setting up the proposed modular building. I have entered into a construction project where the cost of the undertaking exceeds \$30,000; I have read G.S. Section § 87-1. I certify that I am not allowing an unlicensed general contractor to perform the duties of a general contractor, which, I understand from reading G.S. Section § 87-1 include construction superintending and managing in addition to, among other things, signing written contracts. I intend to retain the finished house (or other project) exclusively for my own use, and to be occupied by me or my family for a minimum of one year after completion. I am not building a "speculation" project with the intention of selling the project once it is completed. I understand that building a "spec" project without proper licensure is a violation of G.S. § 87-13; this may be a criminal offense. Also, I understand that problems which may arise due to construction of the building or set-up of the properly labeled modular building, such as inaccurate or insufficient foundation, improper or inadequate marriage line connections, improper plumbing, mechanical, or electrical connections between the units, etc., will be solely my responsibility, and I will be left with no recourse and must assume total liability for correction of the problems. I personally have a thorough knowledge of the requirements of the NC State Building Code with regard to construction and/or setting up modular buildings.
